

BEACHTOWN LAGOON RESIDENCE

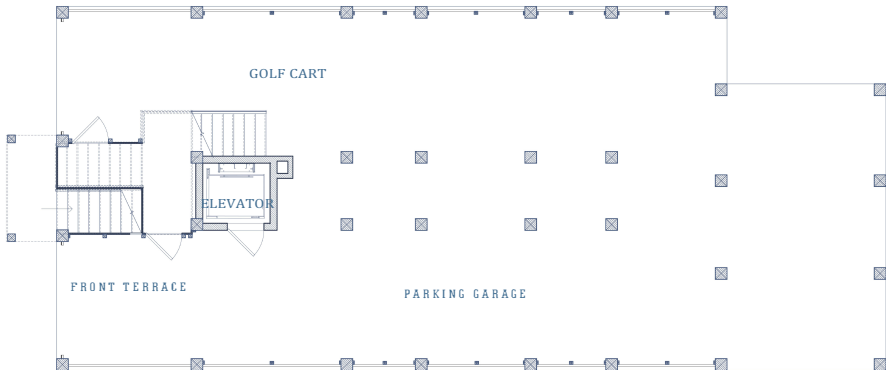

1510 BEACHOWN DRIVE

4 BEDROOM • 3 BATHROOM

Life in Beachtown was designed for simple living and this lagoon home fulfills this very goal. This home is designed as an upside-down concept allowing the living level to be on the upper floor to capitalize on the incredible views. The home features three large covered porches that take advantage of the exquisite scenes of Galveston Bay, lagoons, and sunset views. The bedroom level includes a spacious master suite and a secondary master suite that both open up to the rear porch with views of the lagoons and bay. The lower floor also includes a foyer that separates the bedrooms and invites people to the living level located on the upper floor. Upstairs features an open concept that embraces the extensive views throughout the kitchen, great room, and game room. A guest bedroom and bunk room with built-in bunk beds. Everyone will appreciate the easy access to Beachtown's very own Porch Cafe, area pool, and the beach.

Built to Fortified construction standards, all the homes at Beachtown are built to stay.
